COMMAND MODULE

Man's greatest scientific achievement is recreated in 1/32 scale. It's Monogram's model kit of the actual Apollo spacecraft that carried man to the moon.

The vehicle's large transparent windows reveal all the interior details of the two main stages.

The Command Module, control center for the spacecraft, is authentic in every respect. From the instrument panels to the three NASA astronauts inside.

Supporting the Command Module and crew is the Service Module. With its three fuel cells. Hydrogen and oxygen tanks. Reaction control engines. And a detachable unit for simulated jettison just before earth re-entry.

Capture the world of man in outer space. With the Apollo Spacecraft Command and Service Module. By Monogram.

ON A BEACH ON THE FRENCH RIVIERA, A STRANGE CONVERSATION IS TAKING PLACE BETWEEN TWO UNUSUAL PEOPLE...
FOR THAT MUCH MONEY, LUV--I'LL DO ANYTHING!
YOU'LL EARN IT, DEREK-- I'M SENDING YOU UP AGAINST SUPERGIRL!

BEFORE, I JUST USED YOU TO PLAY UP TO FOOLISH WOMEN WHO FELL FOR YOUR GOOD LOOKS SO WE COULD FLEECE THEM OF THEIR MONEY AND JEWELS.
AND WE DID ALL RIGHT, TOO, STARFIRE!

BUT NOW, WE'VE ENOUGH MONEY TO LAUNCH MY MASTER PLAN! A SECRET ARMY OF WOMEN WHO WILL FIRST HELP ME DOMINATE AMERICA-- THEN THE WORLD!
AND THAT'S WHERE YOU COME IN, DEREK!
YOU ARE GOING TO USE YOUR IRRESISTIBLE CHARM ON OUR FIRST EXPERIMENT!

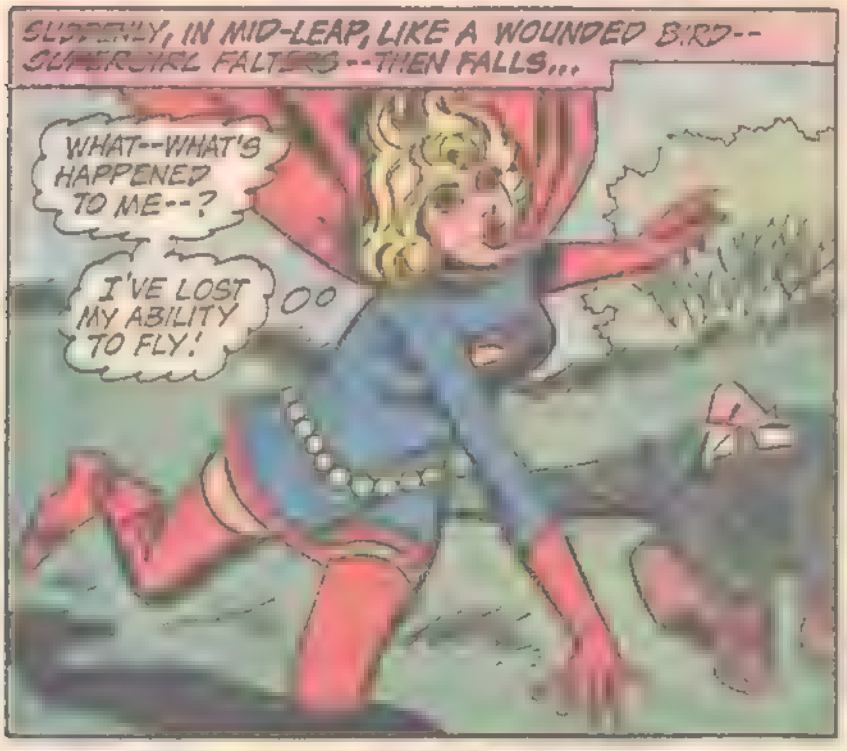
SHE CAN STILL FLY--THE CAPSULE HASN'T WORKED YET!

NAUGHTY-NAUGHTY!
SWIFTLY, THE MAID OF MIGHT SMASHES INTO THE HIJACK GROUP--
OW! I THOUGHT HER STRENGTH WAS NULLIFIED!



SUDDENLY, IN MID-LEAP, LIKE A WOUNDED BIRD--
SUPERGIRL FALTERS--THEN FALLS...
WHAT--WHAT'S HAPPENED TO ME--?
I'VE LOST MY ABILITY TO FLY!

I THINK IT'S WORKING--LET'S SEE IF SHE'S STILL INVULNERABLE!

I FEEL SO WEAK--
AND SOMETHING TELLS ME I BETTER GET OUT OF THE LINE OF THOSE BULLETS!
BRRUMP

HEY! WOT'S GOIN' ON?
SSCREEEE
THEY SUDDENLY REALIZE THAT INSTEAD OF GOING STRAIGHT AT THEIR VICTIMS, THEY ARE VEERING AGAINST THEIR WILL TOWARD THE BRIDGE RAILING--
AND AT THE SPEED THEY'RE TRAVELING--IT IS TOO LATE FOR THEM TO STOP BEFORE--
EEAGGH!
GAGH!
SPLOSH
LOOK A LITTLE WET, DON'T THEY?
DO 'EM GOOD--PROBABLY THE FIRST BATH THEY'VE HAD IN A YEAR!
IT'LL TAKE 'EM ABOUT A MONTH TO DRY THEIR BIKES OUT--AND ONCE THE WORD GETS OUT THEY WERE FOXED BY TWO GIRLS--I DON'T THINK THEY'LL BE BOTHERING YOU OR ANYONE AGAIN!
I'M NOT WORRYING ABOUT THEM--I HOPE WE DON'T GET INTO TROUBLE FOR POLLUTING THAT STREAM.
The End

Dear Editor:

This is the first fan letter I've ever written and it may be the last. But I just had to write you and tell you how much I enjoyed the story "Catcher in the Sky." Out of the 57 ADVENTURE COMICS I have, I think page 6 of that story was the funniest.

Brad Bess, Norco, Calif.

(Looks like the Catcher caught you by the funny-bone.—Ed.)

* * * * *

Dear Editor:

I'm not too sure I like the new logo on the cover of ADVENTURE #398—especially that word "new." If there's any word overused on your covers, this is it. You still call Wonder Woman new, although her change is over two years old. I must admit I can't identify the artist who drew the cover. Can you enlighten me?

Apparently you didn't have time to finish the whole issue, so you filled fourteen pages with the reprinted "Maid of Doom." You didn't make a bad choice, even though I'd read it before, but I hope this reprint policy doesn't become permanent.

The new story, "The Catcher in the Sky," wasn't bad, but how much can you do with six pages? Indeed, this same plot was used back in ACTION #363, in "The Looted Landmarks," and you can get more into 11 pages.

One special feature of your magazines that I do like is your one-page previews of future issues, and I was glad to see one in this issue. I do wish, though, that you'd give the authors and artists credit for their stories.

Richard H. Morrissey, Framingham, Mass.

(The cover of #398 was the work of Dick Giordano, the same guy who has done the last two LOIS LANE covers. As for credits in the mag, set that down to ye Editor's modesty—he writes and illoes most of the stories himself!—Ed.)

* * * * *

Dear Editor:

After reading ADVENTURE #398, my major reaction is one of *surprise*. First surprise: the cover logo, relegating the grand, old title to a supporting role. I'm surprised—no real reaction either for or against the change. It looks good.

Next surprise, oddly enough, was one of disappointed expectations. After blaring out *new! new!*, you follow up with a very run-of-the-mill story by Supergirl's old artist. Definitely *not* new.

Surprise, surprise: Here, in the back pages, comes the pay-off. It does make for good contrast with the first story, but perhaps an introduction to the old Supergirl by the new would have been a better lure to the casual flip-through reader—a clue that the cover *does* belong to the magazine.

I'm surprised, to say the least, to see Mike Sekowsky at work on Supergirl. She has always been a linear or one-dimensional character; she is reliably constant since she is so closely associated with the seemingly immutable Superman. Her adventures are substantially the same as Supie's; a little more and sillier romance, a lot of oh-but-a-mere-slip-of-a-girl type thing with criminals scoffing at her. Nice girl, but unexciting.

But now, here you come, barreling along with one of the two or three best artists at DC—my own personal favorite—and throw him onto this sturdy little Supergirl who's been just reliably chugging away all these years. My feelings are mixed on this. I *love* seeing the great Mr. Sekowsky's art. But—if drawing Supergirl will take him off Wonder Woman, get him back to Diana! She *needs* him!

Oh—that new uniform. I love the thought, but don't entirely love the result. It's too gimmicky, too choppy and junked-up. The boots do not balance well—I favor long supertights. What real super-girl needs protective boots? The tunic is lovely, well designed, but please try to choose between red border and chain belt. One or the other, or neither. *Not* both.

Oh—and the story. An afterthought-type story. One to show off the new costume at all angles. It was, really, usual Supergirl fare, though shorter, with somewhat less plot than usual. (Have we seen all the newness in Supergirl? Please put a new hairdo on Linda. After all—Campus *Cutie?* She looks fifteen. Mr. Sekowsky tried to improve it, but it looks like he doesn't care much for it, either.) No real complaints about the story. The incident at the end with the alien child was amusing, and the child's sheepish expression was probably worth it.

Thank you for your soapbox; congratulations on doing something different on an old standby.

Ann Keller, Wichita, Kan.

(As Richard Morrissey deduced, the reprint was necessitated by a tight deadline: it won't be a regular policy. And don't worry—your Editor, Big Mike, will still be turning out those Wonder Woman epics.—Ed.)

* * * * *

Dear Editor:

ADVENTURE 398 was somewhat of a disappointment. Here we have been promised a new Supergirl and behold! In 397, we actually see her in a new costume. But instead of giving us more of the contemporary Maid of Steel, in the next issue we are given a reprint, which had no place as the lead story in an issue on which the cover boldly proclaims: ADVENTURE COMICS PRESENTS THE NEW SUPERGIRL.

"Catcher in the Sky" (ghod, what a pun!) was cute. But it reminded me so much of an old *Star Trek* script ("Squire of Gothos") that its humor was lost. Barfing past prejudices, however, it was an interesting premise. Wonder if that's the explanation behind the supposed triangle somewhere over the Bahamas where all those planes are said to have vanished? Do you know something we don't?

Sorry to be so down on you—I really enjoy reading your comics. It's just that I was expecting more from you this issue.

Susan Bregman, Spring Valley, N.Y.

(As this issue shows, the changes in Supergirl are by no means over. We don't intend to stand still, but to keep developing the character. Now we'll sign off with this reminder—the address for all comments is: SUPER FE-MAIL, National Periodical Publications, 909 Third Ave., New York, N.Y. 10022.—Ed.)

The **March FROM BEYOND THE UNKNOWN (#9)** rockets your way with seven spectacular sci-fi stories. There are **64 pages,** headed by a top cover tale, "The Man Who Moved the World!" Among other great adventures of the future is a real smash illoed by **Carmine Infantino**—"Two-Way Time Traveler!" The guy in this one is like a human pendulum in time—swinging between the past and the future! And there's "The Last Horse on Earth"—about the time when horses are extinct, but one man, inspired by **DC's** own **Johnny Thunder,** still finds a way to recreate the old West! These and much more—on sale **Dec. 15!**

Speaking of the **Old West,** you **must** see the **March ALL-STAR WESTERN (#4)! Robert Kanigher** did his usual superb job on the two fabulous features in this ish—**Outlaw,** illoed by **Gil Kane,** and **El Diablo,** with art by **Gray Morrow! Outlaw** stars in a startling action tale titled "No Coffin for a Killer," while **El Diablo** does his stuff in "Satan with Spurs!" For all Western fans, this is an issue not to be missed! Get it **Dec. 15!**

Another giant package of battle action explodes on the stands **Dec. 8,** when the **March G.I. COMBAT** comes out! It's **64 pages** of excitement, headed by a **new Haunted Tank** tale drawn by **Rugged Russ Heath!** This is based on the science of leverage, and it's called "Move the World!" One more surprise—the **Haunted Tank** is "cut up" into **three parts** to fight enemies coming from three directions at once! How's it done? Get **#146** and find out!

You'll learn more about the **Man of Steel's** mysterious new weakness when you read the **February SUPERMAN (#234).** That weakness nearly fouls up the **Metropolis Marvel** for good when he tries to save the inhabitants of an island from a volcanic eruption—but finds the law forbids him to act! Between legal troubles and a **thing** which is draining his powers, **Supie** is sure having his troubles in "How to Tame a Wild Volcano!" And so does his dad, **Jor-El,** in this issue's **World of Krypton** story, "Prison-in-the-Sky"—which tells why **Krypton** started putting convicts into orbit! On sale **Dec. 15.**

There are three new weirdies for you fright-fans in the **March WITCHING HOUR (#13**—say, no wonder it's so **scary!)** There's "The Maze," written by **Marv Wolfman** and illoed by **Gray Morrow** (with names like that, they **should** be good at the spook-stuff!) There's "The Accursed Clay," the last story written by the late **Jack Miller**—with art by **Jack Sparling** and **Frank Giacoia!** And there's "The Rush-Hour Ride of Abner Pringle," an off-beat bit by **Len Wein,** drawn by **Jose Delbo!** On sale **Dec. 17.**

A selection of the best war stories **DC** has ever published appears in the **GIANT OUR ARMY AT WAR,** starring **Sgt. Rock!** The top battle artists are represented in this **March** issue **(G-80; #229),** and the tales are the most terrific yet! **Rock** will be there, of course, leading **Easy Company;** and **Jeb Stuart** will be thundering along in the **Haunted Tank! Believe** you me, **Joe Kubert** has picked out a sizzling selection—and it goes on sale **Dec. 17!**

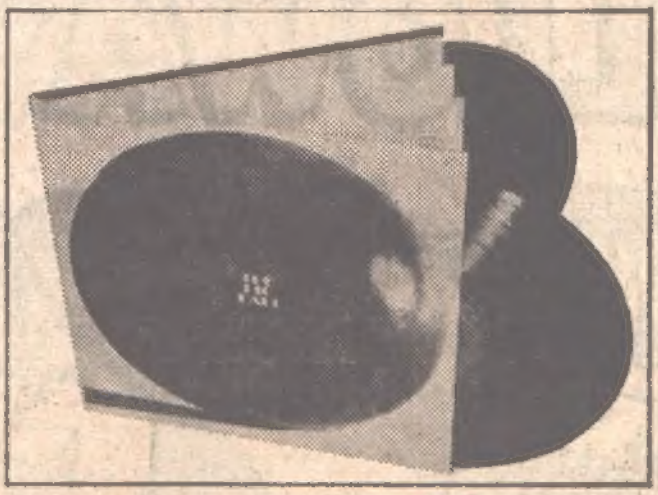
Youth takes over in "Rebels in the Streets"—the **Batman-Teen Titans** team-up in the **March** ish of **THE BRAVE AND THE BOLD (#94)!** What's more, the **TT's** join the youthful conquerors, which pits them smack against the **Masked Manhunter!** This saga of the **Generation Gap** was scripted by **Bob Haney** and illoed by the incomparable **Nick Cardy!** So don't dare miss this one—it's as **now** as tomorrow's newspaper! On sale **Dec. 24.**

Which brings me to the **March** issue of **GREEN LANTERN,** co-starring **Green Arrow** and the **Black Canary!** "How Do You Fight a Nightmare?" is the gripping title of a tale that pits our thrilling threesome against a weird band of **harpies**—half-women, half-birds of prey! What chance does a mere **Canary** have against these creatures? You'll be surprised at the outcome of this "Women's Lib" conflict! It's **#82,** on sale **Dec. 24.**

Learn the secret background of the **Unknown Soldier's** right-hand man in the **March** ish of **STAR SPANGLED WAR STORIES (#155).** It's a strange, untold tale of war and heroism—and human emotion—all in the tradition you've learned to expect in a **DC** war mag! Oh, yes—**Enemy Ace** is on hand again, too, for all you fans of **World War I** air action! Better be ready—it goes on sale **Dec. 24!** So give yourself a Christmas present!

Since we got rid of all **Green Kryptonite** on Earth in a recent **Superman** ish, and **Supergirl** doesn't have her cousin's new weakness, she's in a pretty good spot, right? **Wrong!** A villainess named **Starfire** and a handsome hood combine to hand her a brand-new **Achilles heel** when **"Love Conquers All—Even Supergirl!"** It's the **February** issue of **ADVENTURE (#402),** on sale **Dec. 29**—also featuring another exciting **Tracey Thompson** tale!

Warner/Reprise Announces Its Biggest Bargain: THE BIG BALL



Over 20 outstanding record artists meet in an all-new and grossly underpriced ($2) two-record set.

All the artists whose beauty you can see above, plus lots more (like Gordon Lightfoot, Tim Buckley, Ed Sanders of the Fugs, the Muldaurs, the Fifth Avenue Band...) are giving up their royalties to bring you THE BIG BALL. What this means is that for two bucks you can get mailed to your home, hovel, or box a classy two-record album, 28 stereo selections crammed with good musical things on four full sides, all new stuff for 1970.

With unaccustomed grace, Warner/Reprise is not making a buck on any of this. In supermarkets this sort of thing is called a loss leader, but in the record biz it's a very suspicious thing to do. Anyway...

There's only one way to get THE BIG BALL: by mail. No retail merchants. No stores. No markups. Should you be justifiably wary of mail order hypes, we can't blame you. We have, however, a happy history of doing good by mail. THE BIG BALL's two ancestors, SONGBOOK and RECORD SHOW, were sent to a whole lot of satisfied orderers-by-mail in 1969. (In case you missed those previous epics, we provide you with their pictures and order form here.)

RECORD SHOW: Two LPs featuring Jethro Tull, Peter, Paul & Mary, Kinks, Mothers of Invention, Joni Mitchell, Neil Young, Van Dyke Parks and lots of others.

SONGBOOK: Two full albums starring Jimi Hendrix, Arlo Guthrie, Everly Bros., Pentangle, Fugs, Sweetwater and a host more.

About one of these epics some long-haired creep from Richmond, Virginia wrote us, "Got your Songbook and Record Show things. Well, I finally found a record company that gives a damn. Bless your hearts."

We have a hunch he was right. There's only one way you can find out if the good fairy is still breathing. It's called the nearby coupon...

That done, we'll send you our extravagant BIG BALL set, featuring such delights as:

- One of John Sebastian's brand-newest songs.
- James Tayor's title track from his new album—"Sweet Baby James."
- Fleetwood Mac's fantastic "Oh Well."
- A released-only-in-England Kinks song.
- Pentangle's new version of classic oldie, "Sally Go Round the Roses."
- And about 23 other lovelies...

THE BIG BALL (plus such others as you have the cash for) will then be got to you as fast as the clowns in our mail room can pull it all together.
